Welcome to Beaver

A compact guide to where to stay, eat, shop, and find overflow lodging

Beaver is a small I-15 community in southwestern Utah, surrounded by the Tushar Mountains and close to Fishlake National Forest. Most in-town lodging, restaurants, and essential services are only a few minutes from the conference venues.

QUICK LODGING STRATEGY

First choice: Beaver hotels and motels — 395 rooms, closest to conference activities.

Nearby overflow: Parowan — 106 rooms, including a special conference offer at Mountain View Lodge; Milford — 98 rooms.

Vacation rentals: Also search Beaver, Greenville/Adamsville, Minersville, Milford, Parowan/Paragonah, and Cedar City.

Mountain lodging: Because of the 2026 Cottonwood Fire and ongoing recovery around Eagle Point, do not rely on Eagle Point lodging without confirming current availability directly.

Late May Weather

Plan for pleasant spring weather with warm days and cooler mornings and evenings. Layers are a good idea. Mountain weather can change quickly, so check current conditions before traveling through higher-elevation areas.

ACCOMMODATION OVERVIEW: BEAVER ROOM COUNT

10 properties • approximately 395 rooms. Room counts shown here were confirmed directly with the properties during conference planning. Availability for Memorial Day weekend will be lower as rooms are booked.
